THE ROOF CONSULTANTS INSTITUTE was chartered, in part, to bridge the gap between the seemingly disparate elements of the roofing profession. The goal of **INTERFACE** is to connect these elements, educate and inform about roofing-related topics, establish a common ground for discussion, promote Institute programs, and reach out to the industry at large. The articles contained in this publication are intended to provide information that may be useful to readers of *Interface*. RCI does not necessarily endorse this information. The reader must evaluate the information in light of the unique circumstances of any particular situation and independently determine its applicability. Entire contents, © **RCI**.
