## MISSION

IIBEC Consultants safeguard our built environment. When you become a member, you join an international cohort representing 3,600 experts across the United States, Canada, Australia, the West Indies, Europe, and Asia.

## EXPERTISE

Become a recognized expert in the design, repair, and management of roofing, waterproofing, and exterior wall systems. Whether you are an aspiring young professional, a student, or an industry leader looking to add credentials to your title, IIBEC is for you.

## CREDENTIALS

Earn the Registered Roof Consultant (RRC®), Registered Waterproofing Consultant (RWC®), Registered Exterior Wall Consultant (REWC®), Registered Roof Observer (RRO®), Registered Exterior Wall Observer (REWO®), or Certified Building Enclosure Commissioning Provider (CBECxP®) designations.

## TRUST

Every Consultant is bound by a rigorous code of ethics to always operate without conflict of interest and to remain unaffiliated with any manufacturer or product in order to maintain their commitment to the client and the asset.

## MEMBERS SAVE
