

OVERVIEW

REGISTERED WATERPROOFING CONSULTANT (RWC®)

Registered Waterproofing Consultants (RWCs®) are proven professionals who safeguard buildings from the damaging effects of water intrusion. They combine technical knowledge, investigative skill, and design expertise to ensure waterproofing systems perform as intended — above and below grade.

AT A GLANCE

REQUIREMENTS

- **Experience:** A minimum of four years of waterproofing consulting experience.
- **Point System:** Accumulate at least 100 points through a combination of work experience, education, and/or professional registration.
- **Project Experience:** Provide at least 10 projects from personal work history that highlight specific tasks and services related to waterproofing consulting.
- **Continuing Education:** Complete 70 hours of continuing education, including attendance/completion of a minimum of three seminars and/or courses within the roofing, waterproofing, and/or exterior wall industries. CEHs within past 10 years are accepted. Online IIBEC courses are offered - see under Additional Resources.
